

Bravo Games celebrates a debut #1

Touch Racing Nitro hits the #1 spot across Europe and North America

April 23rd, London: Bravo Games, the UK based gaming subsidiary of Spanish app developer and publisher Genera mobile, is today celebrating as its debut release, **Touch Racing Nitro**, has stormed to the top of the European charts and is receiving rave reviews across the board.

Touch Racing Nitro has become the #1 grossing racing game in the US, as well as achieving a similar position across all the major European territories (including the UK, France, Italy, Germany and Spain). **Touch Racing Nitro** is also the #1 grossing game overall in Spain, Portugal and Austria.

Rowan Corben, Bravo Games Head of Marketing commented "Internally, during the games development, we knew we had something special but, until you actually release onto the market, you're really only guessing". He continued "To have our beliefs vindicated and backed up by the games playing public is really something that we're all very proud of".

Touch Racing Nitro is available now from the App Store, and is priced at USD\$3.99 / GBP£2.39.

Notes to Editors: Bravo Game Studios

Launched in early 2010, Bravo Game Studios (BGS) is a developer and publisher of video games for a wide array of digital platforms including console and mobile devices including the iPhone and iPod Touch.

Headquartered in Seville (Spain) and with regional offices in Lasi (Romania) and London (UK), the firm develops and publishes games designed to entertain the broadest consumer base offered by current and emerging digital gaming platforms.

BGS is funded by venture capital and by its two largest shareholders, Genera Interactive and Mobivery.

The company website is located at: www.bravogamestudios.com
